2. As we walk with Him, let's watch and pray,
A Christian's foes are near,
Christ our Lord He's gone before us,
With Him, we've overcome,
When He appears, we shall be like Him,
Children of God, let's watch and pray,
To conform to God's own image,
Through Jesus our Redeemer.

3. Holy brethren, partners of the Lord,
Be careful with the world,
Let Christ be glorified in you,
That men may come to Him,
We are ambassadors of the Lord,
Glorify Him in all you do,
May the Lord's face shine upon you,
Holy brethren, heirs of God.
